

Special Services

WEDDINGS

Naples United Church of Christ is frequently chosen for both local and destination weddings because of its proximity to amenities as well as its beautiful New England-inspired sanctuary with state of the art lighting and sound. We also offer a venue for smaller weddings in Gates Chapel, as well as in the garden-like environment of our Gathering Place. You may obtain a Wedding Information packet that contains our guidelines and fees by contacting our church office at (239)261-5469, or email us at info@naplesucc.org.

MEMORIALS

The staff at Naples United Church of Christ assists families in planning memorial services, or more traditional funerals, after the loss of a loved one. While services are held in our Sanctuary or in Gates Chapel on our church grounds, some families prefer to remember their loved ones in another setting, and our clergy are honored to respond as available.

Our MEMORIAL GARDEN is located on the northwest corner of our campus for members of the congregation. Further information on burial plots may be obtained by calling the church office.

BAPTISMS

Baptisms for church members and relatives of church members are typically held during a Sunday worship service, and are scheduled by the pastoral staff. Families interested in baptism are encouraged to submit an inquiry through our church office well in advance. Private baptisms for adults or children may also be arranged with our pastoral staff according to availability.
